 1450mm Wide x 600mm High **£65.00**

**Can be made to bespoke sizes too**

### Desk Screens, Eco, Premium and Surface Mounted

Solution for office's, café's / restaurants where distancing is difficult or not possible. With our grips you can attach to your work desks without the need for feet as above, or if you butt your desks together we have another grip that sits in the crevice and supports the acrylic. Our screens come in either 3mm in the Eco version or 5mm in the Premium version with diamond polished edges. We also have a surface mounted version with a line bent foot and double sided tape.

### 3mm Eco

600mm Wide x 600mm High **£16.25**  
 790mm Wide x 600mm High **£18.75**

 790mm Wide x 600mm High **£25.00**  
 1000mm Wide x 600mm High **£27.50**

### 5mm Surface Mounted

600mm Wide x 600mm High **£31.25**  
 790mm Wide x 600mm High **£33.75**  
 1000mm Wide x 600mm High **£40.00**

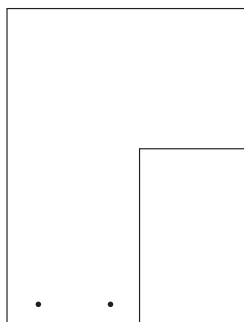

**Can be made to bespoke sizes too**

### Front Fixed Till Screen

Our Front Fixed Till Screens are ideal for fixing to the counters which have basket bays, therefore offering protection for the worker whilst standing behind the basket bay and facing the customer.

Measuring 1000mm wide x 1000mm high and ready for fixing. This can also be adapted to be a counter top version POA.

\*Screw fixings not included

**Front Fix Till Screen** £50.75  
1000mm Wide x 1000mm High

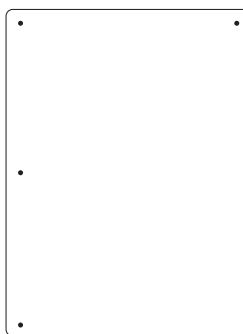

**Can be made to bespoke sizes too**

### Hanging Till Screen

Designed for bars / restaurants, cafés and take-away food services, this application is ideal to provide protection where there may not be an easy counter fixing possible.

Requires ceiling hooks and either ceiling buttons or ceiling grid clips – Sold separately.

\*Double ended hook wires sold separately

**Hanging Till Screen** £20.50  
600mm Wide x 950mm High

**Can be made to bespoke sizes too**

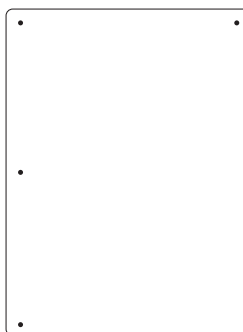

### Eco Ceiling Hangers

A cost-effective option, this application is ideal to provide protection where there may not be an easy counter fixing possible.

Made from 800micron clear pvc.

Requires ceiling hooks and either ceiling buttons or ceiling grid clips.

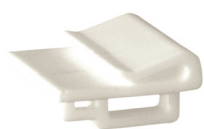

\*Hanging options sold separately, see below;

**Eco Hanging Till Screen** £12.50  
600mm Wide x 950mm High

**Can be made to bespoke sizes too**

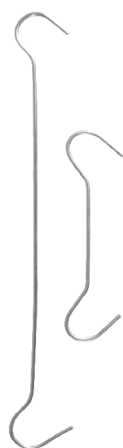

## Ceiling Hanging Fixings

**Suspended Ceiling Clip**

**Oval Ceiling Buttons**

We have several options for ceiling suspending depending on your ceilings. Suspended Ceiling Clips or Oval Ceiling Buttons, both are for use with Double Ended Hook Wires.

The Suspended Ceiling Clips simply clip onto the aluminium framework of your ceiling with a hole to insert the end of the double hook wire.

Our Oval Ceiling Buttons simply have adhesive tape on the reverse, again, you attach double hook wires.

Not all ceilings are the average 8ft, therefore we have a range of lengths for the double hook wires so you can join different lengths to gain the optimum for your hanging.

We offer 4", 6", 8", 10", 12", 16", 20", 24", 30" and 36"

### Floor Standing Office Dividers

Our Floor Standing Office Dividers are made from powder coated steel box tubing with a 5mm acrylic screen.

We offer 2 options, either free standing or fixed to the floor, fixings not included, also decorative fixings for the acrylic panel, these are made to order with a 10 day leadtime.

We offer sizes starting at 800mm Wide x 2000mm High and we can make any size in between.

These stands come already completed, carriage will be priced on application.

# WIRE BASKETS & DIVIDERS

## VIRTUALLY INDESTRUCTIBLE

Constructed from welded steel wire, then given a liberal plastic coating which prevents corrosion even when used out doors.

## SIMPLE ASSEMBLY

Four chromed bolts (supplied free of charge with basket) locate through built in loops at each end of basket into female base rods of basket above.

## STABLE FREE STANDING STACKS

The assembling system of FIL PLASTIC allows you, the user, to decide on height of stack and location, no additional support is needed.

## Full Pallet Loads Directly From The Factory
